

User Guide

This guide provides all of the information you need to take your first steps with Research Professional. A few of the features described are only available at institutions with particular levels of subscription. For information on exactly what your institution's subscription covers, contact your institutional administrator, or email us at clientservices@researchresearch.com

Accessing the site

When you access www.researchprofessional.com, you will be able to log in, or if you are not a current user, you can create a new account. You will be able to access the site via the Campus Access:

- **Log in:** If you already have an account, you can log in using your email address and password. The system will then take you to the main page of the site.
- **Campus Access:** You will be able to log in using your institution's name. When you access the site via your institution's name, you will be able to log in using your institution's name, but you will be able to access the site via your institution's name.

When you access the site via your institution's name:

- **Register:** You can create a new account using the 'Register' button on the main page.

The Page

On the Page, you will find:

'Main Page', which is the main page of the site.

The 'Funding' page, which is the main page of the site.

A 'Funding' page, which is the main page of the site.

The 'Funding' page, which is the main page of the site, is created by the main page of the site.

Funding

To access the funding database, click 'Funding' in the main menu. The page will then take you to the funding database.

- 1) **Simple Search:** The first page of the funding database. You can search for funding opportunities, or you can search for funding opportunities. The first page of the funding database is the first page of the funding database.

- 2) **Advanced Search:** The second page of the funding database. You can search for funding opportunities, or you can search for funding opportunities. The second page of the funding database is the second page of the funding database.

To sort your results

Under the 'Advanced search' tab, click on the 'Sort by' dropdown menu to see the available options.

Viewing your results

Your search results are displayed in a table with columns for the search results, the funding opportunity, the funding amount, and the funding status.

The table is sorted by relevance. You can also sort by date added, date published, or funding amount. Use the back button to return to the search results page.

Saving your results

- 1) **To save a search.** Above the search results, click the **Save** button to save your search results.
- 2) **To bookmark a funding opportunity.** Select the funding opportunity you want to bookmark, click the **Bookmark** button, and the opportunity will be added to your bookmarks.

You can also save individual search results by clicking the **Save** button next to the search results.

Creating an opportunities calendar

If you are a member of the Research Professional Network, you can create an opportunities calendar.

After logging in, click on the 'Account' tab in the top right corner, and click on the 'Calendar' tab. You can then create a new calendar.

Funding Insight

If you are a member of the Research Professional Network, you can view funding insights and trends.

- **The funding hubs:** You can view a list of funding hubs, which are dedicated areas for funding opportunities. The hubs are:
 - **Healthcare:** Funding opportunities related to healthcare.
 - **Education:** Funding opportunities related to education.
 - **Environment:** Funding opportunities related to the environment.
 - **Arts and Culture:** Funding opportunities related to arts and culture.
- **Know how:** Guidance for funding opportunities, including tips and tricks for successful funding applications.
- **Top funders:** A list of the top funding organizations, including their funding amounts and the number of funding opportunities they have funded.

News

L'absence de données fiables et actualisées sur les conditions de vie des populations est un obstacle majeur à l'élaboration d'une politique nationale cohérente.
